

leading your way

Welcome to YK Education! We are delighted to hear that you are joining us and I hope you enjoy your time here.

We are a mentor, a teacher and an advisor to support your child reach their goals and to make them feel comfortable and confident when they are at YK Education. At YK Education, we believe in teamwork between the students, parents and YK-tutors so feel free to contact us for a chat.

Courses at YK are designed to cater for student's individual needs whether they require a confidence booster or a curriculum accelerator. Our role is to foster student's intrinsic motivation and increase their confidence so that they understand that hard work always pays off!

Regards,

Director at YK Education
