

leading your way

Welcome to YK Education! We are delighted to hear that you are joining us and I hope you enjoy your time here.

We are a mentor, a teacher and an advisor to support your child reach their goals and to make them feel comfortable and confident when they are at YK Education. At YK Education, we believe in teamwork between the students, parents and tutors so feel free to contact us for a chat.

Courses at YK are designed to cater for student's individual needs whether they require a confidence booster or a curriculum accelerator. Our role is to foster student's intrinsic motivation and their confidence so that they understand that hard work always pays off!

Regards,

Director at YK Education

Yuna Kubota

Homework policy:

We believe that homework is crucial for consolidation of knowledge and understanding. For this reason, we expect all students to complete homework on a weekly basis. A typical week for year 7-10 will involve around 1-2 hours of homework and year 11-12 will involve around 2-4 hours per week.

Payment policy:

- 10-week term prepaid due at the end of the 1st week of the school holidays. Non-negotiable.
- Missing lessons to have a break after exams are not able to be rescheduled
- Missed lessons will be rescheduled in a group setting (not private setting)

All fees are payable to:
